Creating Opportunities Youth Reception

May 7, 2010

11:00 – 11:45 AM

Hilton Rye Town, Rye Brook, NY

"In the Company of Women" is an annual leadership and networking luncheon that celebrates the YWCA's legacy of developing growth and leadership opportunities for women in Westchester County. It is the YWCA's most important fundraising event of the year.

The **Creating Opportunities Youth Reception** is a unique component to the event which offers young women— high school through college – the opportunity to attend a professional women's networking event, learn about philanthropy and engage in a dynamic presentation on issues affecting girls, women and our communities.

The Creating Opportunities Youth Reception will include:

- "Welcome/Introduction" activity
- Networking!
- Motivational presentation led by a dynamic local female leader

At the conclusion of the reception, all youth guests and their mentors will join the general reception and participate in the In the Company of Women luncheon program.

Goals of this youth component include:

- Inspire, link, foster, and actively engage young women in a process of professional development and philanthropy.
- Motivate young women to become involved in the mission of our agency: to eliminate racism, empower women, and promote peace, justice, freedom and dignity for all.
- Provide a relaxed, social environment and diverse setting for the development of new relationships, mentorship and networking opportunities.
